Chapter One – Council of Governors

A. The Multiple District Council and Officers

The term “council” or “state council” shall mean the Lions Multiple District 26 (MD 26) Council of Governors.

The term “state,” “state Lions,” “Missouri” or “Missouri Lions” shall mean MD 26 Lions.

Throughout this manual, the male gender, whenever used, shall include the female gender.

The state council is the deliberative and assisting body in the formulation of administrative plans and policies affecting Multiple District 26, including the annual multiple district convention.

1. It makes all contracts and approves all bills relating to Multiple District Funds. The funds include the MD 26 administrative funds and funds assigned to individual committees.
2. It designates a depository for MD 26 funds and sets bonds as required.
3. It requires financial reports and provides for an annual audit of the books of MD 26.

The officers of the state not-for-profit corporation (Lions of Missouri, Multiple District 26, Incorporated) are the seven district governors, who constitute the board of directors. The council vice-chairperson serves as president of the corporation. The council shall elect the vice-president of the corporation. The office administrator shall serve as the council and board secretary/treasurer. The council shall elect an assistant secretary/treasurer from the district governors-elect.

The council chairperson shall chair all council meetings. He or she will preside at business sessions of the multiple district convention and at multiple district meetings held at any international convention. He or she will serve as host for any special meeting held at the multiple district level.

The council chairperson shall only be reimbursed from multiple district funds, in accordance with rules of audit of Lions Clubs International, for the council meetings held within the State of Missouri, the MD 26 Convention and the Mid-Winter Forum.

The vice-chairperson shall perform the duties of the council chairperson in the absence of the council chairperson.

B. Quorum

A majority of the council constitutes a quorum, except where a greater number is specified in the MD 26 Constitution. A majority of those present and voting on an issue may determine the outcome of the issue.

The council shall adopt a policy manual at its first meeting and it shall guide the council. The Policy Manual may be changed at any time by a two-thirds vote.

No policy may be adopted that is in conflict with the Lions Clubs International Constitution and By-Laws, the Missouri Lions Multiple District 26 Constitution and By-Laws, the Laws of the United States of America, or the Laws of the State of Missouri. The Constitution and By-Laws Committee will screen the language to assure compliance with the Constitution and By-Laws of Multiple District 26 and that of Lions Clubs International.

C. Nomination for Council Chairperson

Interested candidates for the office of council chairperson for the following Lions year shall submit their intention to seek the office to the current council chairperson at the January council meeting. The current council chairperson shall submit the applications to the council for approval. The approved applications are forwarded as recommendations to the next council.

D. Organizational Meeting for District Governors-Elect

The chairperson of the council of governors shall call a meeting of the district governors-elect for a time during the MD 26 Convention for the organization of the new council.

The council chairperson shall call the meeting to order and determine whether at least four district governors-elect are present. If that number is not present, those present shall set a date (prior to the international convention), time and location for a meeting for that purpose and adjourn this meeting.

The council chairperson's only duties for this meeting are:

1. Set time, place and agenda for the meeting.
2. Convene the meeting.
3. Determine whether the required number of governors-elect is present.
4. Conduct the election of the council chairperson-elect.
5. Conduct the election of the other officers-elect in the event the council chairperson-elect is not present.

Once a quorum is present, the chairperson should present the candidates for council chairperson to the district governors-elect, who may interview each candidate. Without further ado, the council chairperson shall ask the district governors-elect to write, each on

a separate piece of paper provided by the chairperson, the name of the outgoing council member they wish to serve as their chairperson.

The chairperson will count the ballots in the presence of the governors-elect and announce the results. Balloting shall continue until one of the candidates receives a majority of the votes cast.

Upon selection of the chairperson of the council-elect, the council chairperson shall relinquish the chair to the council chairperson-elect. The chairperson-elect shall then preside over the election of the council vice-chairperson-elect, council assistant secretary/treasurer-elect, and the vice-president-elect of the state corporation. In the event the chairperson-elect is not present, the council chairperson shall then preside over the election of those officers. This election shall be conducted in the same manner as that of the council-elect chairperson, except that any candidate shall be a member of the council-elect.

E. Revenue

Refer to Article III of Missouri Lions MD 26 By-Laws.

F. Financial

The MD 26 council chairperson, vice-council chairperson, council chairperson-elect, secretary/treasurer and district governors-elect shall prepare a proposed administrative budget for the next year of operation of MD 26. This proposed budget shall be forwarded to all incoming governors not less than ten days prior to their first council of governors meeting.

The council of governors shall adopt a balanced administrative budget at their first meeting each fiscal year.

The council chairperson, vice-council chairperson, secretary/treasurer (office administrator), and assistant secretary/treasurer shall be authorized to sign MD 26 financial documents and checks. All checks must be signed by two of these authorized officers to be valid. The MD 26 council chairperson, vice-council chairperson, secretary/treasurer, assistant secretary/treasurer and all office employees shall be bonded for an amount approved by the Council of Governors.

MD 26 will reimburse, from MD 26 administrative funds, the expenses of each MD 26 district governor for one of the four regular council meetings. The council meeting reimbursed by MD 26 should be the council meeting which is the least expensive based on the mileage, meals, and overnight lodging authorized by the Lions Clubs International Rules of Audit.

The MD 26 council parliamentarian shall be reimbursed mileage expenses to each Multiple District Council meeting from MD 26 administrative funds.

District vice-governors (the 1st vice-governor, when the district has two vice-governors) will be reimbursed mileage expenses to MD 26 Council of Governor meetings from MD 26 administrative funds. The reimbursement (currently \$0.30 per mile) shall not exceed \$75 per district per year.

All reimbursements will be according to Lions Clubs International Rules of Audit.

G. Council Meetings

The council of governors shall hold its first meeting of the new term within forty-five days after the date on which the district governors officially take office. Special meetings of the council, in addition to the four regular meetings, may be called by the council chairperson as he or she deems necessary and advisable or upon petition of any three voting members of the council, giving reasonable notice. The following schedule is recommended by the council of governors:

1. At the place of the Missouri Lions All-Star Football game and on the last full weekend in July.
2. At a site selected by the council of governors after receiving a recommendation for a site from the vice-district governors of the previous year and on the last full weekend in October.
3. At the site of the upcoming MD 26 convention and on the last full weekend in January.
4. At the site of the MD 26 convention, immediately prior to the convention, during the convention or immediately following the convention.

The logic of the first and last meeting sites is obvious. The logic for the second meeting site is only that it is attractive and enjoyable. The site is most likely for occasional change. The third meeting site allows the district governors and vice-governors to view the site of the upcoming state convention and make plans for the convention.

To assure availability of suitable meeting facilities for the second council meeting each year, the current council of governors shall, at or before their second council meeting, receive a recommendation for a site from the vice-governors, and then select a site for the next council's second meeting.

Care must be taken to avoid conflicts with other MD 26 and international activities already established.

Seating for the council of governors shall consist of:

1. Head table. Seats will be provided for the council chairperson, council vice chairperson, council secretary/treasurer, assistant secretary/treasurer, and international director (if no international director, the most immediate past international director).

2. Flank tables. Seats will be provided for the remaining district governors and a district vice-governor from each district.
3. Liaison Committee. A table will be provided for members of the liaison committee. The council parliamentarian may also be seated at this table.
4. Open seating. Seats will be provided for Lions and guests attending the council of governors meeting.

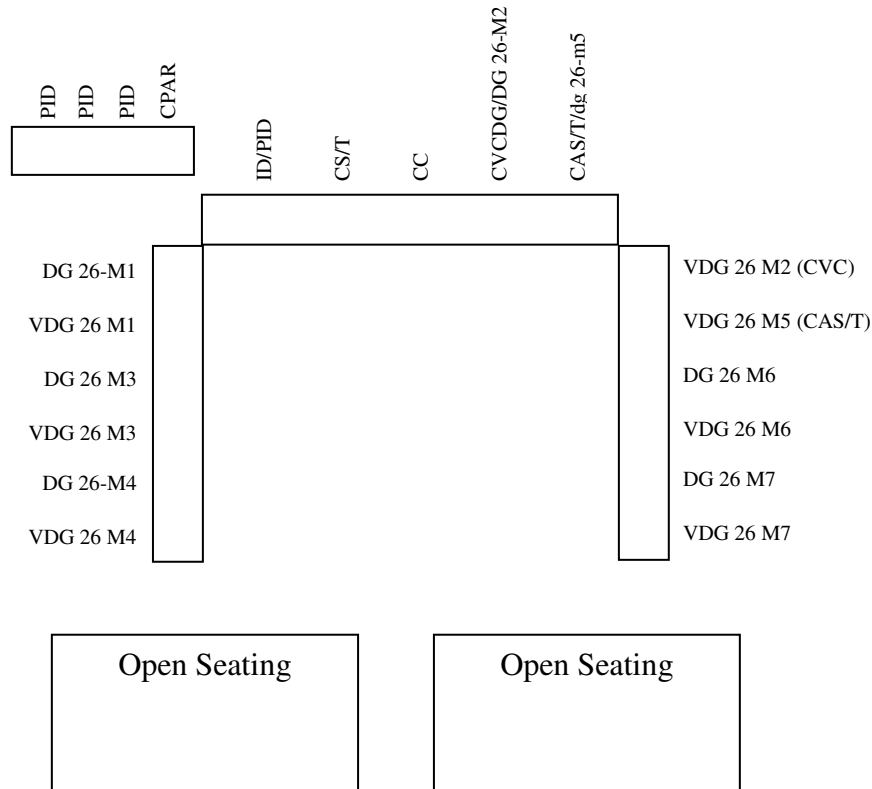

Figure 1. Council of governors seating arrangement.

Discussion of an item on the floor shall be conducted as follows: First, the governors shall speak; second, the vice-governor seated at the tables may speak; and then comments from the floor may be called for.

All council meetings shall be “Non-Smoking” meetings.

L. Other Areas

The council shall oversee the activities of all state committees. To assist in this function, the council, at its first meeting (if not selected at the organizational meeting during the MD 26 Convention), approves one or more of its members to act as a liaison to each of the state committees. Each governor should make every attempt to attend all meetings of his or her assigned committee(s). The governors shall be reimbursed mileage expenses for attendance at said meetings in the manner as a committee member.

A memorial in the amount of \$25 will be donated to a charity of the Lion's family's choice upon the death of any of the following MD 26 Lions: Past or present district governor or international officer and present state committee chairperson, district vice-governor, and cabinet secretary/treasurer. The donation will be made from the MD 26 administrative fund.

Chapter Two – Multiple District Secretary/Treasurer and State Office

The secretary/treasurer shall see that an accurate record is kept of all meetings of the council, with copies sent to the governors and Lions Clubs International following each meeting (MD 26 By-Laws call for this to be done within ten days following the meeting). He or she has control of receipts and disbursements, subject to the direction of the council. The accounts of the secretary/treasurer are open to inspection by the council or any auditors appointed by the council. The council secretary/treasurer makes an annual financial report to the council meeting preceding the MD 26 convention and turns over all funds and records to the succeeding council.

B. Multiple District Office – General Policies

The council shall determine the location of the MD 26 Office. The council shall consider, among other things, the following in establishing or changing the location of the MD 26 Office: central location, accessibility to good private and public transportation, good mail service, adequate space, and cost (including cost of salaries and lease).

The use of signature stamps on checks drawn on the organization is prohibited.

The State Office Administrator shall ensure the council meeting agendas are readily available to the council chairperson, district governors, international officers, past international officers, international directors, and past international directors. The agenda must be made available no later than ten days prior to each council of governors meeting. The agenda may be made available in either paper copy or electronically (e.g., posted on the MD 26 web site with e-mail notification, e-mail with attachment, etc.).

Additional agenda packets shall be prepared and handed out to the council chairperson, district governors, district vice-governors, cabinet secretaries/treasurers, international directors and all past international officers and directors at the council of governors

meeting. These packets shall contain meeting agenda, financial reports, committee reports and other reports pertaining to items that will be or may be considered or acted upon by the council of governors at the council meeting.

Each committee shall, before the end of the fiscal year, prepare and transmit a report to the MD 26 Office enumerating the activities of the committee for the year. This report should contain a section on unfinished business and proposals for new business for the following year.

Each committee that handles funds shall prepare and transmit a complete financial report to the State Office prior to the end of the fiscal year. This report shall include receipts, disbursements, assets, and liabilities.

Mileage expenses.

1. Committees with a source of funds other than the council will pay mileage expenses from those funds.
2. The council will budget administrative funds for the other committees. The budgeted amount, less costs for teleconference meetings, shall be divided between the seven committee members and the liaison governor equally. Payment will be made if the committee member is in attendance and has driven a personal vehicle sufficient distance to warrant such payment. Each district and the liaison governor may collect up to their allotted amount. Any additional travel expense must be approved by the council of governors prior to disbursement.
3. All requests by committee members for mileage reimbursement for attendance at committee meetings shall be signed by the committee chairperson before being sent to the MD 26 Office for payment.

1. Every effort will be made to have several meetings at the same general location and time to encourage car-pooling, thus reducing expenses.
2. A minimum of two of the regularly scheduled committee meetings should be conducted via teleconferencing. Procedures for establishing a teleconference are available from the MD 26 office.
3. Committee meetings shall not be scheduled during a council work session, special session, regular session, or during the weekend that the council visits Leader Dogs for the Blind or any other official council visit to a Lions' agency or service.

The council shall review all service activities and fund-raising activities of the state committees to insure there is no conflict between committees and to ensure the appropriateness of each activity.

All committees shall consult and follow the guidelines established in Lions Clubs International Board Policy concerning the use of the Lions name and emblem on State Projects.

1. The Band and Athletic Committees are each assessed an annual fee of \$1,000.
2. The State and International Convention and Hearing Committees are each assessed an annual fee of \$750.
3. The Missouri Lions Eye Research Foundation and International Candidate Fund are each assessed an annual fee of \$550.
4. Any expense incurred for mass mailings, etc. is not an ordinary office expense.
